4+ SHOTGUN

STAGE 1

Pistols loaded with 5 rounds each/holstered. Rifle loaded with 10 rounds staged on center table. Shotgun in hand at the left or right table.

Shooter starts with the shotgun in the “at ready” position at the left or right table. At the beep shoot the 2 shotgun targets in front of you, any order. Stage the shotgun safely on the center table. With the rifle shoot the R/P target twice, and then sweep R1, R/P2, and R3 from either direction (two in the middle, 1-2-3). Repeat. Make rifle safe.

With the pistols, shoot the same sequence incorporating the pistol targets (P1, R/P2, P3) for 10 rounds. Pick up shotgun and move to the last side table and shoot the last 2 shotgun targets in front of you, any order.

At least one foot must be behind the shooting position.
